## CHRISTIAN SCIENCE CHURCHES

"Spirit" is the subject of the Lesson-Sermon on Sunday in all Churches of Christ, Scientist, branches of The Mother Church, in Boston, Mass. The Golden Text is from Psalms: "Teach me to do thy will; for thou art my God: thy spirit is good."  
Among the Bible selections in the Lesson-Sermon are the verses from the first book of Kings: "And Solomon stood before the altar of the Lord in the presence of all the congregation of Israel, and spread forth his hands toward heaven; and he said, Lord God of Israel, there is no God like thee, in heaven above, or on earth beneath, who keepest covenant and mercy with thy servants that walk before thee with all their heart."  
Another Scriptural citation is from the Gospel of John: "God is a Spirit; and they that worship him must worship him in spirit and in truth."

A correlative passage from the Christian Science text book "Science and Health with Key to the Scriptures," by Mary Baker Eddy, states: "Spirit being God, there is but one Spirit, for there can be but one infinite and therefore one God. There are neither spirits many nor gods many. There is no evil in Spirit, because God is Spirit."
